From K.A. Berg and T.E. Black comes a story of the forbidden desire—a story so delicious you'll need more than One Taste.

Sebastian -

I live a good life. I'm successful, the CEO of the advertising firm my father built from the ground up. I've been deemed a god in the sheets by the female population of New York City and have the equipment to match. Life is great.

Until my social life messes with my professional life. I've become a frequent flyer on the gossip pages—a detriment to business. Just as my perfect life is starting to crash down around me, I meet her.

All I wanted was a taste, but I got much more than I bargained for.

Devin -

Seven years is a long time, but it's good to be home.

I've missed this place and the people in it. I'm living with my best friend, I landed a great job as an Interim CEO which will look great on my resume, and I hooked up with a hot guy I met at a bar.

Life couldn't get much better.

That is until I report to my first day at my new job and standing behind the desk waiting for me is the man I spent a sex-crazed night with.

He devours me with his eyes letting me know things between us aren't over. Except, he doesn't get to make that decision; I do. But, I no matter how hard I try, I can't seem to stop this disaster from happening.
