Ryoma Echizen, the Prince of Tennis, has just enrolled at Seishun Academy after spending several years in America winning 4 consecutive US Junior Tournaments. His cool confidence raises the hackles of a few older students on the tennis team, and they challenge him to a game--but none of them even comes close to his skill and level of play. Now intramural matches to determine the starting members of the team for the upcoming city tournament are about to begin, and even though the rules don't allow 7th graders to play in tournaments, the captain has arranged for Ryoma to enter the ranking matches.
