From *USA Today* bestselling author Jillian Dodd comes the fourth book in a sizzling series filled with action and adventure. Fans of *The Selection* and *The Hunger Games* will discover a heart-pounding thrill ride of espionage and suspense set in glittering high society.

What will happen when the world goes ka-boom?

The assassin known as The Priest was tasked with a series of three hits, and the last one blows up in his face—literally.

People will die.

People will go on.

Unlikely alliances will be formed.

And when British intelligence learns that a series of nuclear backpack bombs were smuggled into their country, there's a lot more to worry about than discovering why a covert agent was assassinated over six years ago or what's going to start in Montrovia.
