« Cet album (...) comporte des erreurs que je n'ai plus faites dans les aventures suivantes, car j'étais moi-même plus mûr.

»
Hergé

Envoyé en reportage dans la colonie belge (nous sommes en 1930), Tintin affronte la bande d'Al Capone, qui essaye de mettre la main sur les immenses richesses du sous-sol congolais.

L'Afrique, représentée ici par Hergé de manière naïve, reflète l'esprit paternaliste d'une Belgique colonialiste au début des années trente.

Tintin a traversé le siècle de son créateur Georges Remi, alias Hergé (1907-1983) et il est l'un des plus célèbres héros de bande dessinée. Mêlant enquête, mystère et humour, ses aventures sont ancrées dans l'actualité qui a marqué le

vingtième siècle.
