Recogemos en un solo volumen la última obra de Carlos Giménez, una crónica muy personal de la Guerra Civil.

Las historias de 36-39: Malos tiempos, cuatro álbumes editados aquí en un solo volumen, nos hablan de cómo vivió la gente de a pie el asedio de Madrid durante la guerra civil. Temas tan duros y complejos como el rencor, el hambre, el miedo, el sacrificio o la amistad cobran, a manos de Carlos Giménez, un tratamiento transparente y honesto que les devuelve con creces toda su universalidad.

«En estos álbumes sobre la guerra de España «un conflicto entre fascistas y demócratas, por decirlo rápidamente»», créanme, he hecho tremendos esfuerzos por ser objetivo, iobjetivo! Que nadie me pida que sea neutral ante el fascismo.»

Carlos Giménez
