**El primer caso de Gideon Crew, timador, genio y ladrón de talento extraordinario.**

Con doce años, Gideon Crew fue testigo del asesinato de su padre, uno de los matemáticos más prestigiosos del mundo. Antes de morir había sido acusado de traición.

Ahora, con veinticuatro años, su madre le revela en el lecho de muerte los detalles de la terrible verdad: su padre era inocente, y su asesinato formó parte de una injusta conspiración. Le suplica que vengue su muerte y mate al culpable.

Para ello, Gideon elabora con sumo detalle un plan perfecto y lo lleva a cabo. Sin embargo, cuando ya consideraba el tema zanjado, se entera de que alguien ha estado vigilándolo, se ha fijado en su destreza y le propone una misión que solo Gideon es capaz de llevar a cabo.

Lejos de ser el final, esto podría ser tan solo el comienzo...
