What Was That All About? is the perfect celebration of *Zits*' twentieth anniversary! Always spot-on, sometimes chaotic, and often messy comic moments are immortalized by the true-to-life give and take between Jeremy and his often befuddled parents.

Authors Jerry Scott and Jim Borgman have sifted through the highlights (and some lowlights!) over the life of the strip and have created a unique behind-the-scenes, insightful view into the history of *Zits*. They have selected their all-time favorite cartoons to fill the collection along with special features, including stories about:

- How they met in Sedona, Arizona, and came up with the crazy idea of creating *Zits*
- The teenagers in their own lives
- Choosing the title *Zits*
- Strips that newspapers declined to publish, or words they censored, etc.
- Creating a *Zits* Sunday strip
- Sucks, bites, and blows: staking out territory on the comic page
- Fish paste and other reasons our kids don't want to travel with us anymore

Excerpts from their sketchbooks will also be shown.

This is the book every fan of *Zits* has ever wanted!
