The fate of millions of lives hangs in the balance in this new Psy-Changeling Trinity novel from *New York Times* bestselling author Nalini Singh...

Kidnapped as a young girl, her psychic powers harnessed by a madman, Memory lives a caged and isolated existence . . . until she comes face-to-face with a wolf. Labelled an empath by her bad-tempered rescuer, Memory knows that her 'gift' is nothing so bright. It is a terrible darkness that means she will always be hunted.

But Memory is free now and she intends to *live*. A certain growly wolf can just deal with it.

Alexei prefers to keep his packmates at bay, the bleak history of his family a constant reminder that mating, love, hope is not for him. But Memory, this defiant and fearless woman who stands toe-to-toe with him awakens the most primal part of his nature - and soon, he must make a choice: risk everything or lose Memory to a murderous darkness that wants to annihilate her from existence . . .

'Paranormal romance at its best' *Publishers Weekly*

'Singh continues to be one of the most prolific and consistently excellent writers on the scene today' *Romantic Times*
